

## Geos Marketing Partners

**Sales from the folks that teach the competition how it's done.**

*Team lead Stu Galvis is the first independent real estate broker associate to become a Certified National Instructor for EcoBroker International: the green real estate designation.*

**Messaging, Branding and Design from the folks that introduced the Pearl Street Walking Mall and Twenty-Ninth Street.**

*When Real Estate developers want to create a look and feel for the "next big thing," they turn to Communication Arts Design in Boulder: perennial winners of messaging and design awards worldwide.*

**Advanced Media Visualization Tools from an Industry Pioneer.**

*John Barden, founder of Digital Adrenalin was the driving force behind the multiple award-winning Company 39 from 1991 to 2007.*

PUBLIC RELATIONS

**PR work from the winners of the 2007 PR Society of America Grand Gold Pick.**

*KS Communications and Macerich won the 2007 Grand Gold Pick for the "Twenty-Ninth Street Opens Its (Out)Doors" campaign. The Grand Gold Pick recognizes the top overall score winner among this year's 20 Gold Pick award winners.*

LanceJackson | **Associates**

**Market Research from the people that wrote the book...literally.**

*LJA's innovative and proprietary approach to market research has raised the bar for research and segmentation firms nationwide, using demographics and in-depth psychographic information: the most accurate and efficient way to target our market.*
